

Certificate of Registration

QUALITY MANAGEMENT SYSTEM – GB/T 19001-2016 / ISO 9001:2015

This is to certify that: **Huawei Technologies Co., Ltd.**
Huawei Industrial Park, Bantian, Longgang District
Shenzhen, Guangdong, 518129, China

Holds certificate No: **FM 669363**

and operates a Quality Management System which complies with the requirements of GB/T 19001-2016 / ISO 9001:2015 for the following scope:

Design, manufacture, supply chain management, sales, procurement and services (include installation, network engineering services, network field maintenance, repair services, customer support and training services) of fixed access products, radio access products, core network products, transport network products, data communication products, synchronization network products, antenna system and radio frequency products, copper and optical distribution network products (ODN and Distribution product), business support system products, network management system and tool products, consumer service products, enterprise service products, security products, enterprise UC&C products, infrastructure network and security products, cloud computing and data center products, storage products, server products, digital entertainment products, telecommunication terminal products, energy products (include communication power system, BMP&CP, hybrid power, UPS, inverter, data center infrastructure, network management and monitoring products) by Huawei Technologies.

Design, manufacture, supply chain management and services (include installation, network field maintenance and customer support services) of business support system products, network management system and tool products, digital products, enterprise service products, cloud computing and data center products, server products and security products by Huawei Software.

Design, manufacture, procurement, supply chain and delivery management, sales and services of digital entertainment products, telecommunication terminal products by Huawei Device.

Note: ODN and Distribution product: ODF (Optical Distribution Frame), FDT (Fiber Distribution Terminal), SPL (Splitter), FAT (Fiber Access Terminal), SSC (Splitting and Splicing Closure), Indoor cable, iODF (Intelligent Optical Distribution Frame), iFDT (Intelligent Fiber Distribution Terminal), iFAT (Intelligent Fiber Access Terminal), intelligent patch cord, iSPL (Intelligent electric ID).

For and on behalf of BSI:

Chris Cheung, Head of Compliance and Risk - Asia Pacific
Managing Director, BSI (China), Michael Lam
